1.Approval and Entry into Force

This Cookie Policy was approved on March 25, 2025 and is effective as of that date, until it is replaced by an updated version.

2. What are cookies?

Cookies are small text files placed on your device when you visit a website. They serve various purposes, including **ensuring the website functions correctly**, remembering your preferences, and collecting statistical data on site usage.

3.Types of cookies we use

We use the following categories of cookies on our website:

Strictly necessary cookies

- XSRF-TOKEN
 - Provider: www.evservices.es
 - Purpose: Ensures secure browsing by preventing cross-site request forgery (CSRF) attacks.
 - Duration: Session
 - Data transferred to: France
- evs_session
 - Provider: www.evservices.es
 - Purpose: Maintains the user's active session throughout the visit.
 - Duration: Session
 - Data transferred to: France

4.Managing cookies

You may configure your browser to block or alert you about cookies. However, please note that blocking certain cookies **may impact the functionality** of the website. For detailed instructions on how to manage your cookie preferences, please consult the help section of your browser.

5.Changes to this policy

We reserve the **right to amend** this Cookie Policy at any time. Any changes will be published on this page, together with the corresponding date of revision.

6.Review and Update

This policy will be reviewed periodically to ensure that it **is appropriate to changes** in the information security environment and organizational needs.
